

# Application and Agreement to Participate in Slap Fingerprint Segmentation Evaluation III

Last Updated: 11 September 2018

---

## 1 Who Should Participate

- 1.1. Organizations that develop commercially-available, mature prototype, and/or research slap fingerprint segmentation software ("*Organizations*") and that have not participated in the National Institute of Standards and Technology (NIST) Slap Fingerprint Segmentation Evaluation III ("*SlapSeg III*") test for at least 90 days after the completion date of the Organization's last participation in SlapSeg III.
- 1.2. Anonymous participation will not be permitted. This means that signatories to this document, *Application and Agreement to Participate in Slap Fingerprint Segmentation Evaluation III* ("*Agreement*"), acknowledge that they understand that the results (see Section 6) of the test will be published with attribution to their Organization.

## 2 How to Participate

- 2.1. In order to participate in SlapSeg III, an Organization must provide the information requested in Section 8 of this Agreement identifying the Responsible Party and the Point of Contact. The Organization must print, sign, and then send this Agreement to the location designated in Section 8.
  - 2.1.1. The Responsible Party is an individual with the authority to commit the Organization to the terms in this Agreement.
  - 2.1.2. The Point of Contact is an individual within the Organization with detailed knowledge of the Participant's Submission (see Item 2.3).
- 2.2. Upon receipt of the signed Agreement by NIST, the Organization will be classified as a "*Participant*" in SlapSeg III.
- 2.3. Participant shall provide a single submission ("*Submission*"), as specified in the document *Slap Fingerprint Segmentation Evaluation III — Test Plan and Application Programming Interface (API)* ("*Test Plan*") available at <https://pages.nist.gov/slapseg/doc/slapsegiii/testplan.pdf>. A Submission shall include all executable code, validation files, configuration files, documentation, and all other files required by NIST and Participant to validate and execute the tests specified in the Test Plan.
- 2.4. The Submission need not be used in a production system or be commercially available. However, the Submission must be, at a minimum, a stable implementation capable of conforming to the Test Plan.
- 2.5. Digital files in the Submission must be encrypted before transmitting to NIST. Instructions for transmission can be found on the *Participation* section of the SlapSeg III website, <https://nist.gov/itl/iad/image-group/slapsegiii>. Generic encryption instructions can be found in the Image Group's *Encrypting Software for Transmission to NIST* document available at <https://nist.gov/itl/iad/image-group/products-and-services/encrypting-softwaredata-transmission-nist>. A box for Participant's public key fingerprint is included on the Agreement. Submissions that are not signed and encrypted with the public key fingerprint listed on the Agreement will not be accepted.
- 2.6. Submissions must be compliant with the Test Plan, NIST test hardware, and NIST test software.

### 3 Points of Contact

- 3.1. The SlapSeg III Liaison is the U.S. Government point of contact for SlapSeg III.
- 3.2. All correspondence should be directed to `slapseg@nist.gov`, which will be received by the SlapSeg III Liaison and other SlapSeg III personnel.
- 3.3. Questions and answers addressed to the SlapSeg III Liaison may be posted on the *Frequently Asked Questions (FAQ)* section of the SlapSeg III website at the discretion of the SlapSeg III Liaison.

### 4 Access to SlapSeg III Validation Data

- 4.1. The SlapSeg III Validation Dataset is supplied to Participant to assist in preparing for SlapSeg III.
- 4.2. The fingerprints in the SlapSeg III Validation Dataset are representative of the SlapSeg III Test Data only in format. Image quality, collection device, and other characteristics may vary between the Validation and Test Datasets.

### 5 Access to SlapSeg III Test Data

- 5.1. Participant will not have access to SlapSeg III Test Data.

### 6 Release of SlapSeg III Results

- 6.1. After the completion of SlapSeg III testing, the U.S. Government will publish all results obtained, along with the Organization's name, on the SlapSeg III website.
- 6.2. Participants will be notified of their results via the Responsible Party and the Point of Contact provided on the Agreement.
- 6.3. After the release of SlapSeg III results, Participant may use the results for their own purposes. Such results shall be accompanied by the following phrase: "Results shown from NIST do not constitute an endorsement of any particular system, product, service, or company by the U.S. Government." Such results shall also be accompanied by the Internet address (URL) of the SlapSeg III website (<https://nist.gov/itl/iad/image-group/slapsegiii>).

### 7 Additional Information

- 7.1. Any data obtained during SlapSeg III, as well as any documentation required by the U.S. Government from Participant (except the Submission), becomes the property of the U.S. Government. Participant will not acquire a proprietary interest in the data and/or submitted documentation. The data and documentation will be used for the purposes of the SlapSeg III test.
- 7.2. Participant agrees that they will not file any SlapSeg III-related claim against SlapSeg III sponsors, supporters, staff, contractors, or agency of the U.S. Government, or otherwise seek compensation for any equipment, materials, supplies, information, travel, labor and/or other Participant-provided services.

- 7.3. The U.S. Government is not bound or obligated to follow any recommendations that may be submitted by Participant. The U.S. Government, or any individual agency, is not bound, nor is it obligated, in any way to give any special consideration to SlapSeg III Participant on future contracts or other financial assistance.
- 7.4. NIST is conducting SlapSeg III pursuant to 15 U.S.C. § 272 (b)(8), (c)(2), and (c)(14).
- 7.5. By signing this Agreement, Participant acknowledges that they understand that any test details and/or modifications that are provided on the SlapSeg III website supersede the information in this Agreement.
- 7.6. Participant may withdraw from SlapSeg III at any time before their Submission is received by NIST, without their participation and withdrawal being documented on the SlapSeg III website.
- 7.7. NIST will use Participant's Submission only for the agreed-upon SlapSeg III test, and in the event errors are subsequently found, to re-run prior tests and resolve those errors.
- 7.8. NIST agrees not to use Participant's Submission for purposes other than indicated above, without express permission by Participant.
